## EXPERIENCE

### **Xenario**

**Character Designer - December 2019- Present**

Crafted character designs and collaborated on character story arc development. My designs were produced into 3D motion capture, comics, and merchandise. Concept art for background designs, setting the visual tone for the exhibition environment.

(Client: Shanghai Planetarium, AI's Dream)

### **Bonfire**

**Animatic and Storyboard Artist - March 2020 - July 2021**

Conceptualized imaginative storyboards based on scripts. Created multiple visual iterations of storyboards, providing the director with a range of options to choose from. Produced impactful animatics by translating storyboards and 3D references into dynamic sequences.

(Clients: KiwiCo and Tepezza)

### **Definition 6**

**Storyboard Artist - January 2023 - May 2023**

Developed storyboards aligning with directorial briefs. Supported production crews with equipment setup, set design, and logistical coordination. Collaborated effectively with writers and animators on motion graphics and graphic design for impactful ad campaigns. Created cohesive brand guides and engaging company culture videos. Consistently contributed innovative concepts during regular brainstorming sessions with directors.

(Clients including Cartoon Network, Food Network, TLC, The Home Depot, SAIA LTL Freight, SIEMENS, SCAI, Toy For Tots, Sherwin Williams, Belgard, Mohawk, Travelocity, and WE tv.)

### **Art For Animation with Jeff Buckland**

**Art Student League - September 2023 - Present**

Participated in the League's Art for Comics + Animation Classes run by Matt Roberts in which we talked about navigating the industry, explored visual storytelling, and were given insight into the world of image-making.

### **Brandt Studio**

**Freelance Animator - April 2022 - April 2023**

Co-founded Brandts Studio with diverse artists. Animated stylized music video to the audio provided by aspiring music artists. Pitched ideas and vision using animatics. Created captivating story arcs, character designs, and world-building.

### **DandELion: a Children's Picture book**

**Illustrator and Author - June 2020 - Present**

Designed characters, creatures, and environments for a full-length 86-page children's picture book to the manuscript written by myself. Traditionally watercolor painted all pages. Arranged drawings with clear compositions to match the text. Efficiently created nearly finished dummies for timely publishing.
